

HOUSE OF REPRESENTATIVE VOTING RECORDS Iraq War Resolution & Iraq War Funding

The following table contains the voting records of any person who will be a member of the House of Representatives as of January 2007 who ever cast a vote against the October 2002 resolution to go to war or any of the supplemental spending bills approved to continue to fund the war.

Those who voted against a resolution are designated by the word "AGAINST" in the table.

If there are asterisks, *****, that means that the Representative was not in the House of Representatives at the time of the vote.

If there is "NV" in the table, that means that the Representative did not cast a vote on that resolution.

If there is nothing in the table, that means that the Representative voted in favor of that resolution.

If a Representative is not listed in the table, that means the Representative voted in favor of war funding. Those that did not cast a vote on a resolution are listed at the bottom of the table.
